Executive Summary

This deliverable presents the dissemination which has already been done by partners at the national and international level through conferences, seminars, workshops. Additionally, this deliverable reports on the *Gender and Interdisciplinary Education for Engineers (GIEE)* conference held in Paris, June 23th and 24th, 2011. The conference was organized by the HELENA consortium with the aim to present the results of the HELENA project to the community of researchers involved in women participation in engineering, as well as to confront the HELENA results to the other studies in the field.
